# ABBVIE LTD TRANSPARENCY DISCLOSURE METHODOLOGICAL NOTES FOR REPORTING YEAR 2021

As a member company of EFPIA and ABPI, AbbVie Ltd is committed to ensuring that the nature and scope of partnerships and transfers of value (ToV) to Patient Organisations are clear and transparent to the public. Therefore, AbbVie Ltd has published applicable ToV provided directly or indirectly to Patient Organisations for the 2021 calendar year.

This Methodological Note provides guidance on how AbbVie Ltd has recorded and publicly reported this information in accordance with the current editions of the ABPI Code of Practice.

## Reporting period/Reportable ToV:

The AbbVie Ltd 2021 disclosure includes applicable ToV during the period between 1st January 2021 and 31st December 2021. The applicable ToV relates to contracts signed within the disclosure period.

## Transparency Acknowledgment from Patient Organisations:

Agreements between AbbVie Ltd and Patient Organisations relating to ToV may have included a Transparency section which included notification of AbbVie's Transparency disclosure obligations.

## Validation Approach:

AbbVie has conducted a validation exercise with Patient Organisations contained within this reporting period in January 2022 to make them aware of the disclosure and provide an opportunity to verify any ToV.

## Cross Border Interactions:

These ToV include engagements between AbbVie affiliates worldwide and UK Patient Organisations where these have occurred. For example, where a Patient Organisation has participated in an AbbVie global supported programme.

## ToV Definitions:

Each ToV includes a category label and brief description of the activity it relates to. The category and associated activity descriptors are as follows:

### Campaigns and events

- Definition: Funding for activities as part of campaigns and events in which the patient organisation is involved (as a lead or participant), sponsored by AbbVie in whole or in part
  - Examples: Disease awareness/activation campaigns, patient or multi-stakeholder events/webinars, etc.

- Other activities and materials

- Definition: Funding for other types of activities carried out by the patient organisation, including the production of materials
- Examples: Website revamping, patient hotline creation, patient survey, brochures, etc.

- Fees for services

- Definition: Services provided by the patient organisation to AbbVie
- Examples: Participation in a meeting or Advisory Board, etc.

Relevant expenses will ordinarily be included, in aggregate, in the overall ToV. This includes expenses such as transport or accommodation costs incurred to take part in the associated activity.

## Value Added Tax (VAT):

Where applicable, disclosure of payments does not include VAT.

## Currency:

All information is reported in Pound Sterling (GBP).

## Exchange Rate:

Where ToV were captured in foreign currency, amounts were converted to local currency based on AbbVie Ltd Treasury Monthly Average Rates.

## Multiyear Contracts:

Activities with ToV, crossing calendar years may have the contracted full amount disclosed using the date of last payment.

## Post Publication Disputes

AbbVie will review and investigate disputes with Patient Organisations relative to our disclosures. Any changes resulting from this review will be published in an updated report.
