AbbVie Ltd Transparency Disclosure Methodological Notes for Reporting Year 2022

As a member company of European Federation of Pharmaceutical Industries and Associations (EFPIA) and Association of the British Pharmaceutical Industry (ABPI), **AbbVie Ltd** is committed to ensuring that the nature and scope of transfers of value (ToV) with UK members of the public, including patients and journalists, are clear and transparent. Therefore, AbbVie has published applicable ToV provided directly or indirectly to UK members of the public for the 2022 calendar year.

This Methodological Note provides guidance on how AbbVie has recorded and publicly reported this information in aggregate in accordance with the current edition of the ABPI Code of Practice.

Allergan Acquisition:

Allergan Ltd was integrated into the AbbVie business effective 1st April 2022 and therefore Allergan Transactions processed from 1st April 2022 have been included in the 2022 AbbVie disclosure.

Allergan. Transactions processed between 1st January 2022 and 31st March 2022 have been disclosed under Allergan.

Reporting period / Reportable ToV:

The AbbVie 2022 disclosure includes applicable ToV during the period between 1st January 2022 and 31st December 2022. Payments made from 1st January 2023 will be considered for the next report.

Transparency Acknowledgment from UK members of the public, including patients and journalists:

Agreements between AbbVie and UK members of the public, including patients and journalists, relating to ToV have included a Transparency section which included notification of AbbVie's Transparency disclosure obligations.

Cross Border Interactions:

These ToV include engagements between AbbVie Global and UK members of the public, including patients and journalists, where these have occurred. For example, where UK members of the public, patients or journalists participated in an AbbVie global supported programme.

Members of the Public, including Patients and Journalists Definitions:

Other Members of the Public including Caregivers, Patient Advocates, and Models

Description: Services completed by other members of the public including caregivers of patients, patient advocates, models and other reportable recipients to provide AbbVie with expert insights, perspectives, and feedback, including providing insights into their lived experiences and participating in photo shoots and video recordings.

Patients

Description: Services completed by patients to provide AbbVie with expert insights, perspectives, and feedback on the patient experience, including activities such as speaking at AbbVie-organised meetings, advising or providing feedback on projects or activities (e.g., patient materials or patient-facing campaigns), providing insights into their lived experiences, participating in advisory board meetings and in video or audio recordings.

Journalists

Description: Services completed by journalists to provide AbbVie with expert insights into how health conditions are reported in the media, including advisory board participation and consultation.

 - Contracted services: Fees

Value Added Tax (VAT):

Where applicable, disclosure of payments does not include VAT. Cross border ToV may or may not include VAT depending on the submitting source.

Withholding Taxes:

Where applicable, for services provided in locations outside of United Kingdom, ToV amounts will be reported as in the contract agreement.

Currency:

All information is reported in Pound Sterling (GBP).

Exchange Rate:

Where ToV were captured in foreign currency, amounts were converted to local currency based on AbbVie Treasury Monthly Average Rates.

Rounding:

For each Reportable Recipient, ToV for each reporting category is rounded to the nearest Pound Sterling (GBP).

Multiyear Contracts:

Activities with ToV crossing calendar years may have the contracted full amount disclosed using the date of last payment.
